Dear Mrs. Melissa Wells,

Please receive our congratulations on your new line of work in Zaire.

We are very pleased about finding you by our letter and about your benevolent answer. Now we have an invitation to U.S.A., and we have to go to Los Angeles as quickly as possible. We wish to interview You for our movie about Your mother Miliza Korjus. Also we would like to ask for Your advices about our screenplay. Will You bless it or not...

By success with visa and tickets we can fly already in this month. For that reason, please brief about Your residence in July and August. We shall be glad to meet both in U.S.A. and in Zaire.

Respectfully Yours
