

Dear Ambassador Wello,

October 3, 1991

I am in Baltimore now ~ I wanted to drop you a note to let you know that I'm thinking of you. I'm sorry I didn't get to say Good-bye to you and your husband. Hopefully our paths will cross again.

I also just want to say that you're wonderful! The evacuation, as painful as it was, went extremely well ~ you did a wonderful job ~ just what is also impressive is that you care. I don't know too many people who would have even bothered with "operation Noah's ark" ... as if you didn't have enough to deal with, good grief! 😊. I can't thank you enough for all that you have done. Leaving Cedric, Chris, Cal, Heahag & Fatsy was horrible for me ... but, I can tell you today I have a feeling of gratefulness ... I'm going to pick up Heahag & Fatsy at 3pm ... (Dulles <sup>airport</sup>)  
I <sup>just</sup> can't thank you enough for all you have done ... I just don't know what to say; you have placed a smile on many faces today as we pick up our pets and try to regain some normalcy to our lives. May God protect you and your family at this most trying time. Take care of yourself!

Respectfully & with love,

Ruth Dumont
